8' Armless Sofa	\$150.00
White End Table	\$10.00
White Coffee Table	\$22.00

All about Rentals

When should I place my order?

We advise placing your order as much in advance as possible. We require a security deposit to confirm rentals. Ordering early also increases the likelihood that the products and delivery and pickup times you desire will be available.

How do I place an order?

You can submit a rental inquiry on our website and a customer representative will contact you within 24 hours. Submitted inquiries are not a reservation until a customer service representative contacts you to take all the information needed to complete a rental order. You can also call us directly at 310.306-3348.

What information is needed when I place an order?

At the time you place your order please provide complete delivery and pickup information: including the name and reachable phone numbers of the on-site contact, driving directions, gates codes, parking locations for our vehicles, and specific drop-off locations. If we are providing setup and breakdown services, please provide a complete site diagram at the time of the final order confirmation, if not earlier. Also, if there are any large truck access issues related to your event delivery site please let us know. These include but not limited to low hanging branches, limited turn-around areas, narrow or steep driveways or roads, and gates in need of access codes. Any of these can impact the timeliness and efficiency of your delivery.

Do you charge for delivery?

Yes, we do. The delivery charges are based on first floor (ground level) delivery to your door and city we are going to and are a round-trip fee. There is also an additional fee for deliveries with stairs and/or freight elevators. Special delivery fees apply to timed deliveries, long carries, multi-crew, multi-day, high-rise, after-hour, holiday and otherwise difficult installations. Additions to orders that have already been delivered will be subject to the normal delivery fees. On-site delays caused by clients will result in additional delivery fees. Like otherwise, equipment not ready at scheduled pick-up time will be subject to additional pick-up charges.

What are your delivery hours?

Our standard delivery hours are from 9 am-to-5 pm, Monday through Saturday. However, we do understand that many locations, venues, and events do not fall within these parameters, and therefore, we do operate 24 hours 7 days a week to meet your event requirements. Delivery and pickup windows are based on 8 hours (your most economical choice), 4 hour, 2 hour and exact time request. A representative will determine your delivery and pickup rates when you place your order. All rates are determined on a per- truck basis. Additional deliveries and pickups are subject to additional charges. Deliveries, installations, and/or pickups that do not fall within our standard delivery hours (Premium deliveries) will be charged additional fees.

Do you have a minimum rental order amount?

La Piñata Party Rentals does not have a minimum rental order. However, the same delivery fees will apply. For smaller rental orders, consider picking up the day of or the day before your event to avoid fees.

Do your crew set up my equipment?

La Piñata Party Rentals will set up and take down all heavy equipment (canopies, dance floor, stage, etc.) these items are also not available for will call. We can also set up per your diagram at an additional cost. We do not set up linen, chair covers, china, flatware or glassware. Arrangements for set up & strike down services MUST be made well in advanced.

What are your payment terms?

La Piñata Party Rentals requires a 25% non-refundable security deposit to reserve any items for rent. Payments are due in full a minimum of four days prior to your event. Payment can be made via cash, Cashier's Check, Visa or MasterCard. Personal and business checks are acceptable on exception basis only.

Do you also sale piñatas?

Absolutely! In fact, we first began as a piñata supply store only. Throughout the years our business model has evolved but continue to treasure and hone in on our skills daily. Please visit our storefront in El Segundo to see our current selection (changes weekly). We are also able to produce a custom piñata of your choice to meet your event theme, décor or corporate event.

Can you recommended other event professionals for my event?

Ask and you shall receive access to our extensive rolodex! Trusted event professionals who we have worked with! Not a random vendor of Google. Event planners, bartenders, service staff, photographers, venue managers and much more!

Can I pick up my rental order?

Most definitely. You are able to pick up your rental order the day prior to your event, and return the day after your event, for the cost of a one-day rental. Please note that some of our equipment is NOT available for self-pickup. You must also bring an appropriate sized vehicle for your order and proper tie downs in order to pick up or several trips may be required. Additionally, it is necessary for you to load/unload all rental items into your own vehicle. While we are happy to assist you, the risk and responsibility for protection of our equipment and your vehicle is solely yours.

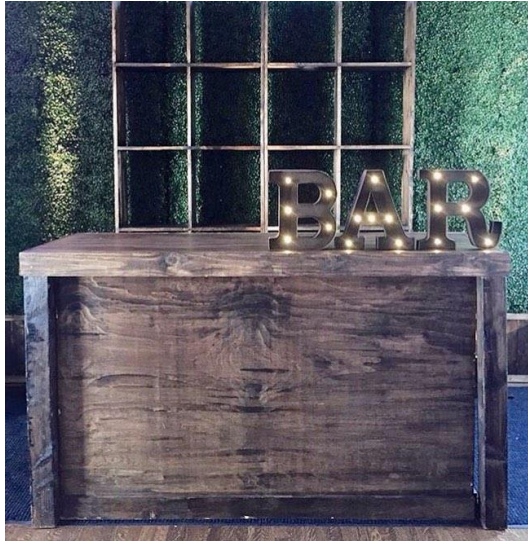

Don't see the answer to your question? Visit our website for additional Frequently Asked Questions or contact us directly. We are more than happy to help.

Helpful Tools & Tips

How to use the Table Matrix:

1. Locate the table size you will be using at the top of the matrix.
2. Then, follow down the column until you locate the desired effect you want the linen to produce.
3. Staying in the proper column, move across to the far left side of the matrix.
4. You have now located the linen size to order for the desired table and effect you wish to accomplish.

www.lapinataparty.com

Important Notes:

- Tables listed measure 30" in height
- Cocktail Tables listed measure 42" in height
- Custom sizes and fabrics available upon request, as special order
- Contact us for linen size recommendations on existing tables.
- All measurements may vary slightly due to shrinkage in wash cycle.
- 36" Drop on 4' & 6' Tables = 6" PAST the ground

- Floor-length table cloths are elegant, cover table legs and permit a quick change of mood.
- For added touches add overlays in different colors, sizes, fabric or patterns to give a decorative look. Or, add additional color to your table setting with napkins.
- Remember to order extra napkins for your buffet station, bread baskets and service staff.
- When using candles on linens, you must have something between candles and linens to prevent candle wax damage or burn. Additionally, do not place wet linens in plastic bags as it may cause mildew. Any damages incurred by candles and mildew will be billed to the client at the full replacement cost of each linen.

Ready to use glassware and table settings

- All plates are plastic wrapped in increments of 5 and are "table ready".
- All flatware are plastic wrapped in increments of 10 and are "table ready".
- All glassware is rented by the full case and/or crate, are sanitized and ready for immediate use.
- Plates are transported in custom crates and should be immediately rinsed, free of foods and put back in their original crates to avoid cleaning fees.

Keep in Mind...

- Salad or B&B plates can be used for dessert
- Salt & Pepper shakers should be placed above the plate or every 2-3 places for easy reach of everyone at the table
- Don't forget to order serving utensils for the buffet line. Allow one buffet line per 50 guest
- Do not heat chafers without water in pan. Never add fresh food to a chaffing dish on the buffet line. Instead, take the used pan and replace with a new one. Don't forget to order additional pans.
- Open bar? Account for 2-4 glasses per guest.

Helpful Tools & Tips

La Piñata Party Rentals Event Design Team can assist you with your event planning layout and design. Our CAD (Computer Aided Design) program can help you better visualize your event floor plan and layout through our generated 3-D model and perspective views.

Space Information

Tenting- When thinking about tenting your event space there are of questions and things to consider:

- How many guest are expected?
- Will this be a seated dinner or buffet-style dinner service or standing cocktail?
- What else do you plan to have underneath the tent? A dance floor or stage, buffet tables, bar or lounge area?
- Is the ground leveled? Are there any overhead obstructions? ie. Trees or powerlines.
- Will I need a permit? Can stakes be driven into the ground?

General Rule of Thumb:

- Stand-up cocktail party will require 5-6 sq. ft. per guest
- Mixture of seated and standing cocktail party will require 8 sq. ft. per guest
- Reception party (some seated) will require 8 sq. ft. per guest
- Dinner party using banquet tables will require 8 sq. ft. per guest
- Dinner party using round tables will require 12 sq. ft. per guest
- Cathedral seating (using rows) will require 6 sq. ft. per guest

Dance Floors- generally, 40% of your guest will dance at one time. We calculate 2.25 sq. ft. for each person at the event. The floor size can be increased or decreased according to your preference. Ideally, your floor size should also be proportional to your event space.

# of Guest	Dancing at One Time	Recommended Size
48	24	9' x 12'
64	32	12' x 12'
80	40	12' x 15'
100	50	16' x 18'
120	60	18' x 20'

Pipe and Drape- is versatile, available in many different fabrics, colors, widths and heights and not just for trade shows. Other application for it include:

- Stage backdrop
- Space dividers for meetings, dressing rooms and to create a 'room' within a room.
- Cover unwanted rooms or areas
- Create the illusions of high ceilings with floor-to-ceiling draping

Event Services- in addition to the above CAD design services we also offer:

- Delivery and pickup
- Event Logistics
- Custom lighting, flooring, signage and furniture
- Professional installation and breakdown
- Generator and Power Distribution
- On-Site Consultation
- Crowd control solutions
- On-site Stand-by Crew/Manager throughout your event

Money Saving Tips-

- Consider pickup up smaller rental order to avoid paying delivery and pickup fees.
- Be open to a slightly larger delivery and pickup time frame to avoid Timed Fees. Most deliveries can occur one-to-two days prior to your event date and picking up one-to-two days after your event.
- Plan and order ahead of time to ensure product availability.
- Make all necessary adjustments to your order ahead of time. This will help avoid cancellation/re-stocking fees or same day delivery of forgotten items.

Tenting

Tenting

-We stock and install quality tents constructed with a structural aluminum frame and durable 15/16oz vinyl top. Prices listed are for tents only. Please contact us for additional sizes and prices. Prices include installation and breakdown of tenting. Pricing includes standard 8' tent legs; other heights are available at an additional cost. Prices do not include site surveys, permitting, accessories, ballasting or delivery.
